## Description:

### John Bogle puts our obsession with financial success in perspective

Throughout his legendary career, John C. Bogle-founder of the Vanguard Mutual Fund Group and creator of the first index mutual fund-has helped investors build wealth the right way and led a tireless campaign to restore common sense to the investment world. Along the way, he's seen how destructive an obsession with financial success can be. Now, with *Enough.*, he puts this dilemma in

perspective.

Inspired in large measure by the hundreds of lectures Bogle has delivered to professional groups and college students in recent years, *Enough*. seeks, paraphrasing Kurt Vonnegut, "to poison our minds with a little humanity." Page by page, Bogle thoughtfully considers what "enough" actually means as it relates to money, business, and life.

- Reveals Bogle's unparalleled insights on money and what we should consider as the true treasures in our lives
- Details the values we should emulate in our business and professional callings
- Contains thought-provoking life lessons regarding our individual roles in society

Written in a straightforward and accessible style, this unique book examines what it truly means to have "enough" in world increasingly focused on status and score-keeping.
